# GX3 PRO

The Geely GX3 Pro is a subcompact crossover SUV with a stylish and modern exterior design.

The front end is dominated by a large, hexagonal grille flanked by sleek LED headlights and daytime running lights.

The lower fascia features a skid plate and fog lights, giving the GX3 Pro a rugged and sporty look.

The Geely GX3 Pro comes with a choice of 16-inch or 17-inch alloy wheels.

The sides of the GX3 Pro are characterized by its sharp character lines and flared wheel arches.

The roofline is slightly sloping, giving the GX3 Pro a coupe-like silhouette.

The rear end features LED taillights, a roof spoiler, and a rear skid plate.

The roof spoiler helps to improve aerodynamics and gives the GX3 Pro a more sporty appearance.

The GX3 Pro also comes with a rear windshield wiper and defroster, as well as a rearview camera.

These features help improve visibility and safety when reversing and parking.

The Geely GX3 Pro has a spacious and comfortable interior with seating for up to five passengers.

The dashboard is well-designed and features a soft-touch finish.

The front seats are supportive and offer good visibility.

The rear seats are also spacious and comfortable, and they can be folded down to increase cargo space.

The GX3 Pro comes standard with a variety of interior features, including a leather-wrapped steering wheel, air conditioning, and a power window system.

It is also available with many standard equipment such as a sunroof, leather seats, and a multifunction steering wheel.

The Geely GX3 Pro comes standard with a 7-inch touchscreen infotainment system. The system includes features such as radio, Bluetooth, and a USB port.

The Geely GX3 Pro has a trunk space of 400 liters with the rear seats up.

With the rear seats folded down, the trunk space increases to 1000 liters. This is enough space to carry larger items, such as a bicycle or a stroller.

The Geely GX3 Pro is available in a variety of exterior colors, including Aurora Blue, Burgundy Red, and White.
